District training and more

Due to significant reductions in USCG travel funding, 9ER will be self-funding the March 2020 D-train. We have reduced a day off the schedule and will modify travel reimbursement to those that qualify. Uniforms will be eased and a Saturday banquet buffet will be featured.

Our commitment to high quality professional development is steadfast with a National C-school Auxlams-B offered along with Sunday Risk Management and a strong menu of Saturday training.

There is something for everyone:

- **Sea Scout Program Update:** Learn about plans to work with the Sea Scouts, review the MOA and get answers to your questions.
- **Dockside Advising:** Changes for 2020 RBS, Environment and Americas Waterway Watch.
- **Public Affairs for All:** Get the PA tools to get the word out about safe boating, recruiting and the Auxiliary.
